Are glass sunrooms retractable?

Our sunrooms have been installed in hundreds of thousands of homes, condos, restaurants, hotels and conference centers around the world. Unlike most glass sunrooms, our glass sunroom walls are retractable, so you can open and close them as you please. You can bridge together the indoors and outdoors with a stunning sunroom extension in your home.

What is a custom sunroom?

A custom sunroom offers a way to connect with nature while maintaining the comfort of being indoors. At Four Seasons Sunrooms, we build a variety of sunroom designs to complement your home and lifestyle. Cathedral-roof sunrooms feature soaring ceilings and expansive glass panels that make any space feel open and airy.

What can a glass sunroom do for You?

Imagine a glass sunroom that allows you and your family to spend more time outdoors. Enjoy breakfast outside, send your children out to play, and entertain friends--even when the weather is cool, wet or windy.

Where are glass sunrooms made?

Glass sunrooms for our Canadian customers are produced at our world-class manufacturing facility in Vaughan, Ontario, just north of Toronto. Our Canadian team handles every aspect of your patio enclosure order, from manufacturing to installation. We'll make sure you're satisfied every step of the way.
