Double whammy expresses a combination of causes, but OP's asking for alternative causes, if I understand correctly.

I'm betting that most people know exactly what I am talking about. It happens when you're scrolling through some social media and you see something that is only a little funny. It ...

The drug causes an adverse reaction in patients with a history of heart disease. So why "make" not "cause"? As Robusto says in the above comment, "make" just sounds less ...

Is there a single word to qualify/describe someone that causes his own misfortune, or even a single noun that refers to such a person?

Or: Is this the only factor that causes such tragedies? In that form, the singular factor matches with the verb causes. Your sentence mixes the plural rooms with the singular ...

There is disagreement as to the causes of the fire. I remained uncertain as to the value of his suggestions. (2. meaning) according to, by. Example - The eggs are graded as to ...

Contributory Causes appears to be the common term for those causes that, when taken together, describe multiple causes that taken individually would not produce a given result.

Think this: "if" is a subordinating conjunction that acts usually as a subject or objects in their own clauses. This de-emphasizes the subject. This changes sentence to ...
