Definition of quickly adverb in Oxford Advanced Learner's Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more.

When you do something quickly, you do it really fast -- like when you quickly eat breakfast so you won't be late to school. The adverb quickly can describe any action that's done at great speed.

The difference between the adverbial forms quick and quickly is frequently stylistic. Quick is more often used in short spoken sentences, especially imperative ones: Come quick!

Quickly is an adverb that describes the manner in which an action is performed, specifically indicating that the action occurs in a short amount of time.
