Why is Mombasa, Kenya used as a shipping hub?

Mombasa, Kenya is used as a shipping hub because it acts as a transit hub for shipments going through neighboring countries. USG Freight's container shipping to Mombasa, Kenya is on a weekly basis from all major ports in the US.

Does USG ship to Mombasa, Kenya?

USG Shipping offers Flat Rack service for shipping large trucks and break bulk cargo to Mombasa, Kenya from Los Angeles. Unfortunately, there is currently no RoRo service from Los Angeles at this moment. USG Shipping also offers Air freight service to Nairobi International Airport, with Air Freight charges depending on the volume and weight of the cargo.

How can I ship a car to Mombasa?

You can ship a car to Mombasa using RORO (Roll-on/Roll-off) or containerized services. USG Freight uses CMA or Maersk for such services. They offer container shipping to Mombasa from both the West and East coasts of the US.

How long does it take to get to Mombasa Kenya?

The transit time to Mombasa, Kenya from most East Coast ports is 30 days. Transit time from US West Coast ports to Mombasa, Kenya generally ranges from 50-55 days. Transit times are not guaranteed and are subject to change. Most commonly exported commodities/products from the USA to Kenya include the following (2017).
