Are solar panels a good investment in Mauritius?

Tax Incentives: In Mauritius MRA offers tax credits to encourage the adoption of solar energy. These incentives can help reduce the upfront cost of installing solar panels, making them more financially attractive.

Low Maintenance: Solar panels are relatively low maintenance.

Do I need a power converter in Mauritius?

Mauritius uses BS 3 square plugs but also some round two pin - the hotel has adaptors but if not the nearest supermarkets sell them for a few rupees. You don't need a power convertor. 3. Re: Power socket British 3 pin sockets are widely used and I have rarely seen a 2 pin one but its worth just to bring a worldwide travel adaptor just in case.

How can I make Mauritius more eco-friendly?

By the way: CEB's Carbon footprint is still over 80% fossile so taking action yourself can help accelerate Mauritius to become more eco-friendly. This kit is ideal for small Mauritian households with 2 air-conditioning devices, refrigerator, washer and a water pump.
