CCI Bokajan is interested to select and appoint bidder who can put up grid connected ground mounted solar power plant (1MWp) at its premises on RESCO model.

Cement Corporation of India Limited is inviting electronic bids through Electronic Tendering System (ETS) for the installation of 1MWp grid-connected Solar PV Plants at Bokajan.

The successful grid connection of this project is also the first grid connection project completed by Hebei Development and Reform Commission in 302 ground distributed photovoltaic projects in ...

Officials described the project as a breakthrough for Yemen, which has struggled with energy shortages and rising fuel prices. See the December issue of Global Cement ...

An innovative and efficient solar power plant solution has been developed for cement factories. On an annual basis, solar PV systems in cement plants ...

Guidelines for Tariff Based Competitive Bidding Process for Procurement of Power from Grid Connected Solar PV Power Projects (28th July, 2023)

Explore Green Power Procurement in India's cement sector and its role in achieving net-zero goals and sustainable energy use.

The Guidelines cover solar PV power projects, with or without storage, having bid capacity of 10 MW and above for STU-connected projects, and bid capacity of 50 MW and ...
