If China's "spare" solar capacity were put to use, they argued, it would enable the world to meet the goal -- agreed at the COP28 ...

China is changing the world's power game. In May 2025 its solar farms made over 100 terawatt-hours (TWh) in one month. That is ...

If China's "spare" solar capacity were put to use, they argued, it would enable the world to meet the goal -- agreed at the COP28 summit -- of tripling renewable generation ...

China has more utility-scale solar than any other country. The 277 GW of utility-scale solar capacity installed in China in 2024 alone is more than twice as much as the 121 ...

The world's largest 1 GW offshore solar farm located off the coast of Dongying, Shandong Province, China is now connected to the grid.

China is changing the world's power game. In May 2025 its solar farms made over 100 terawatt-hours (TWh) in one month. That is about one-third of all the power the United ...

China has connected the world's first 1-GW offshore solar farm to the grid, a plant off Shandong set to generate 1.78 TWh per year.

China has brought a 1 GW offshore solar power plant online off the coast of Dongying, Shandong province, combining PV with energy storage and aquaculture in what is now the ...

China is advancing a nearly 1.3 terawatt (TW) pipeline of utility-scale solar and wind capacity, leading the global effort in renewable energy buildout. This is in addition to China's already ...

According to Bloomberg New Energy Finance (BNEF), as of July 1, 2024, China's small-scale solar power generation capacity has reached 309.5GW, with residential ...

China's approach to renewable energy buildout combines large-scale investment, technological innovation and market reform. China is installing more renewables than any ...

China's approach to renewable energy buildout combines large-scale investment, technological innovation and market reform. ...

Losses in China's slumping solar sector narrowed in the third quarter, according to data presented by an industry group official, as the government's war on industrial ...
