As a supplier of renewable energy systems & installations in Suriname & Guyana, we deliver integrated sustainable energy production solutions.

Construction of three hybrid solar power plants in Suriname is underway to supply 25 villages with electricity. The plants, located in Daume, Cajana, and Galibi, will combine ...

Discover how POWERCHINA's solar PV microgrid project is bringing 24/7 renewable energy to 34 remote villages in Suriname, transforming lives with continuous power.

Discover how POWERCHINA's solar PV microgrid project is bringing 24/7 renewable energy to 34 remote villages in Suriname, ...

Suriname's electricity costs have spiked 22% since 2021, with blackouts lasting up to 8 hours weekly in rural areas. Yet this South American nation gets 4.8 peak sun hours daily - enough ...

Suriname has good solar energy potential, with annual average solar irradiation levels ranging from 4.5 kWh/m<sup>2</sup>/day to 5.5 kWh/m<sup>2</sup>/day. Despite frequent cloud cover and rainfall in rainforest ...

energy demands. Suriname, as a member of the Caribbean Community (CARICOM) has a target of renewable electricity generation to be reached by 2017, 2022 and 2027 respectively ...

Construction of three hybrid solar power plants in Suriname is underway to supply 25 villages with electricity. The plants, located in ...

PowerChina is building three hybrid solar microgrids in Suriname, combining solar panels, energy storage,

and diesel backup to power 25 remote villages across the country.

Suriname's tropical rainforest climate provides abundant sunlight year-round, making it an ideal location for solar power generation. The country's average solar radiation is ...

Renewable energy in Suriname, especially decentralized solar PV and hybrid systems, improves energy resilience by reducing reliance on imported fossil fuels and fossil ...

PowerChina is building three hybrid solar microgrids in Suriname, combining solar panels, energy storage, and diesel backup to ...

To meet the urgent needs of the Surinamese people, PowerChina signed a contract with Suriname's Ministry of Natural Resources in September 2019 for the first phase ...
