I've having problem with Township for two days already but was able to play, but since this afternoon I've not been able to open the game 03-16-2018,02:08 PM #6

Howdy, guys! It's time to start celebrating Halloween in Township! The event has already started! ;) Help Emma the apprentice witch build a School of Magic. This magical ...

I am playing township for more than a month, suddenly game language changed to Chinese automatically, because of the region set in my iOS device I think. Changing iOS region to ...

My Facebook friends don't show up when I click the "Invite friends" tab in Township : (. How do I go about resolving that situation?

We can see if a co-op member is racing but we don't know the last time that member actually logged into township. That would help co-op leaders to remove inactive players from the co-op ...

So is it something like same task, passed to different players (someone who completed once can't do it again), and with each pass, the time limit shortens and points ...

I know this is an old thread but it remains accurate for the current version of Township. From time to time someone will get bit by the few cases where the "Confirmation Window" "Use Cash" ...

Then downloading Township again. It still goes to the old town though and can't start a new game. Factory reset is a step too far though. We like Township, but it's not so important we want to ...
