---

Hi, I read Ca(OH)2 and Cr(NO3)3 as C a O H whole twice and C r N O 3 whole thrice respectively by pronouncing each English alphabet and number separately. But I ...

My Chemical Romance is the name of a band. They are known in Japan as ??????????. It's not a translation but a transcription of the name.

I am having a difficult time finding a translation for "chemical pregnancy", which is essentially an early miscarriage (within the first 6 weeks of pregnancy) and often undetected ...

The chemical nomenclature is there and you have to know the name of the compound. It was expressly forbidden at my school to just "spell" chemical elements and ...

However, if you want to describe the environment in which you work or the particular building or office, then use "in". If, for example, the other person already knows you ...

In court, judges ask defendants if they have completed a chemical dependency evaluation: my take: "Ha completado la evaluación de dependencia a sustancias reguladas?"

Common methods of cleaning include hydro jetting, steam cleaning, abrasive blasting and chemical cleaning. quiero verificar con Uds que estos términos que son técnicos ...

Thank you, Franco-filly and RM1 (SS), for your replies. And, if received is used in place of hold, and the year in which the titles were awarded is included, can the sentence be ...

I don't think there are any other paragraphs which mentioned the contrast between helium's chemical properties and how non-scientists think. What do you think, heypresto?
